INTRODUCTION

We believe this is "a good place to buy" because of the herd bull strength represented in our association herds.

This will be the 42nd sale held by the South Central Shorthorn Breeders and the 22nd year of operation.

These cattle will sell at prices you can afford to pay because they are not overfitted and are ready to go to work for you.

These are the money-making kind.

We hope you will be with us on sale day.

Atwood, Illinois**

Catalog Lithographed By MWM Color Press, Aurora, Mo.

General Information

TIME: Saturday, April 30, 1960. Show at 5:00 p.m., (CDT), Sale at 7:00 p.m., (CDT).

LOCATION: The sale will be held at the Sullivan Sale Pavilion, Sullivan, Illinois, located west edge of town and north of highway.

TERMS: The terms of the sale are cash unless other arrangements are made with the consignor from whom the cattle are purchased before the sale commences and the sale manager is notified of the arrangement. Buyers who are not known to the sale manager will bring bank reference. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as sold off, but the management will attend to loading on cars or trucks in compliance with instructions from the purchasers.

Standard Guarantee

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders provided they are not allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase or by the time the bull is twenty months of age if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute, the return of full purchase price, without interest, to the buyer, will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold including calf at foot of dam. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sires and dam, as well as service date.
7. Shipments will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty, the above terms should apply as well as for sale at auction.
8. The above Guarantee and Terms shall constitute a contract between consignor and buyer of each lot. Neither the South Central Illinois Shorthorn Breeders Association, the Sale Manager, nor the Clerk of the Sale assumes any liability, legal or otherwise. Where footnotes appear in this Catalog, they were furnished by the Consignors or written from information supplied by the Consignors. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety of our guests.

MAIL BIDS: Those wishing to buy at this sale who cannot be present may send their bids to Hal Longley of the Shorthorn World, to any of the Consignors or to the Auctioneer.

AUCTIONEER: C. D. Swaffar, Tulsa, Oklahoma.

AWARD'S GOLDEN GIPSY - Sired by Marellbar Award, a son of Cruggleton Leishman (Reserve Supreme Champion at Perth) and Marellbar Mary Ann 5th (International Champion). Award's Golden Gipsy's dam is out of the same cow that produced the Champion heifer we sold to Acadia Farm. Award's Golden Gipsy was bred August 18, 1959 to our Bulldozer bull, his dam is a full sister to a Perth Champion and a half sister to another Perth Champion. This is perhaps as valuable heifer as we have sold.
